MEMORIAL BRAIN TUMOR FOUNDATION

October 16, 2017

To Whom It May Concern:

Since the passing of a beloved young man, the Taite Boomer Memorial Brain Tumor Foundation has strived endlessly to raise funds for, and awareness of, brain cancer. The foundation has hosted an annual 'Never Back Down' fundraiser every November since 2012 in honor of Taite's birthday. To date, this event has raised almost \$100,000, which has gone directly to funding brain tumor research projects through the Brain Tumour Foundation of Canada.

Our sixth annual Never Back Down Fundraiser will take place on Saturday, November 18 and will bring together our many amazing supporters for an evening of conversation, dancing and a silent auction. As a local, non-profit organization, the generous donations of silent auction items allow us to ensure that we can continue to make a substantial difference. All donors and supporters are featured at our event and on our website following the fundraiser.

We thank you for considering the opportunity to support us as a donor. Please find a silent auction donation form attached for your convenience. If you require further information, or are interested in sponsorship opportunities, please contact Katelyn Pretzlaff, Co-Founder and Event Coordinator of the Taite Boomer Memorial Brain Tumor Foundation.
